CORE COMPETENCIES

Straightway Admin L.L.C. is the prime contractor and program manager for federal fleet lifecycle services. We hold the contract and run program control, quality, dispatch, compliance, invoicing, and reporting. Field work is performed by our commonly owned affiliate, Straightway Transportation LLC (417 Lake Street, Newark, NJ 07104; UEI E1DNBPYGWFA8; CAGE 8Q9H2). The structure is disclosed. We do not use hidden or "front" arrangements.

- Vehicle pickup, delivery, and transport (local and long-distance)
- Lights, sirens, and radio upfit or removal to agency specification
- OEM-standard maintenance and repair
- Cleaning, detailing, de-authorization, decommissioning, and GSA sale preparation
- Towing and roadside recovery
- 24/7 replacement vehicles (cars and trucks)
- Discreet, secure, and confidential vehicle readiness support for agency personnel traveling in the Caribbean, including the Dominican Republic
- Contract administration, quality close-out, and reporting as prime

DIFFERENTIATORS

- **Disclosed prime/affiliate model.** Admin holds the award; Transportation executes vehicle work. SBA affiliation is acknowledged: receipts are aggregated for size.
- **Limitations on subcontracting (FAR 52.219-14) planned in the open.** On an SDVOSB set-aside, affiliate field work counts toward the prime's 50 percent share only if Transportation is also SBA VetCert-certified at the relevant time. Both entities are pursuing VetCert and will not be represented as certified until issuance.
- **Founder experience (personal only).** Founded by Raylor Adames, a 100% service-disabled combat veteran, who previously served as fleet manager for a federal law-enforcement field office in Newark, New Jersey. This is personal professional experience and is not an agency endorsement. No agency name, seal, or logo is used in marketing.
- **Leadership offices.** CEO, CFO, and Chief Compliance Officer (names provided in proposals and SAM points of contact). `[CONFIRM: public names / whether Founder is also CEO.]`

COMPLIANCE POSTURE

Written code of business ethics and conduct aligned to FAR 52.203-13 when the clause applies. Procurement-integrity and post-employment awareness under FAR 3.104 and 18 U.S.C. § 207. Documented quality-control plan (intake, chain of custody, inspection, close-out). Need-to-know handling of agency and personnel information; no public disclosure of client identities; CUI handled per contract instructions. No facility-clearance or FedRAMP claim. Website and digital deliverables designed to WCAG 2.1 AA / Section 508. Insurance and USDOT/MC operating authority: `[CONFIRM – being reinstated; do not state they are current.]`
